Announcement of Disclosure of Quarterly Reports

We are pleased to inform you that we made the decision to disclose quarterly reports starting from the 3rd quarter of fiscal year 2001 of this settlement term (running from April, 2001 to March, 2002 settlement term). This is a part of fair and positive disclosure and it will contribute to proper investment decisions by shareholders and investors.

1. Information to be disclosed regarding the quarterly reports

- Overview of financial statements
- Summarized consolidated balance sheet
- Summarized consolidated profit-and-loss statements (regarding the 3rd quarter, cumulative total for 9 months)
- Supplementary information

2. Timing of disclosure:

1st quarter: Beginning of August, every year

3rd quarter: Beginning of February, every year

For reference: Disclosure of semi-annual and annual financial reports will be maintained according to the relevant acts and Tokyo Stock Exchange rules.
